DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

In view of the papers filed on September 14, 1998, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding an inventor's name of Shunpei Yamazaki.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and PTO PALM data to reflect the inventorship as corrected.
